FRANK DEVLYN SPEAKS AT ROTARY CLUB OF MEMPHIS

Nine Memphis South Rotarians joined the throng of visitors to the Rotary Club of Memphis to hear Rotary International President Frank Devlyn. George Harants, Mark Edwards, Lee Whipple, Roma Thorn, Jerry Daws, Gary Rutherford, Dick and Joan Wieland and John and Edna Bennett.

Frank did an exceptional job and approached Rotary from the standpoint of what it DOES rather than what it IS. He was enjoyable and it was a privilege for those who had never heard him. Frank had just flown in from San Diego.

This was the occasion of the 87th birthday of the Rotary Club of Memphis. We congratulate them on their long record.

CLUB ASSEMBLY

A club assembly was held in lieu of a program. The contents of the materials discussed at the Fireside Chats were the subject of the considerations.

We were amazed at the good material which came out of these meetings. One of the principal discussions involved membership. We do have a pledge by our members to increase the membership. We have shown that this is possible with the sudden addition of new members.

If you have not met these new members, by all means make it a point to make them feel needed and wanted. We are getting some quality people and we must treat them as such.

NEXT WEEK'S PROGRAM

We will welcome Jeff Sanford of the Center City Commission as our speaker next week. I am sure you will not want to miss this presentation.

On February 23rd. we will have HERMAN MORRIS as our speaker. Herman is president of Memphis Light Gas and Water. At a time of unusually high utility bills, it will be good to hear Herman's assessment of the problems.
