The Profits Most Who Serves Best

MEMPHIS SOUTH ROTARIAN
PUBLISHED WEEKLY **JOHN BENNETT, EDITOR**
JUNE 5, 1998

MARK EDWARDS offered the Invocation and afterward led us in the Pledge of Allegiance to the Flag.

PRESIDENT TOM MICHAEL welcomed us to the 1099th meeting of the Rotary Club of Memphis South.

SERGEANT-AT-ARMS

SERGEANT-AT-ARMS LAUERENCE CONN sought vengeance on those who had not made up their absences and discovered that Ken Cole had 2 make-ups but owed for one miss; Henry Francis had one make-up but Bill Hardison had 2 for which he owed. Horace Clark was also privileged to pay the amount of the "?" x 2 = \$4 for not wearing his Rotary Pin along with Randolph Reeves. Henry Francis suggested that the editor be fined for a misspelled word. This may suggest that someone else might want to be the Editor, a job to which all are welcome.

Absent from the meeting were: John Bowman, Elizabeth Bradshaw, Tracy Chism (moving to Collierville), Jim Crone, Leroy Dahler, Andrew Ellis, Harold Ford, Doc Harris, Danny Johnson, Fara Johnson, Griff Ladner, Harvey Marcom, Curtis Marshall, Charlie Martin, Dan Michael, Bob Neal, Jack Springer, Roma Thorn, Debbie Vaiden, and Bill Wood.

GOLF TOURNAMENT

BERT CANFIELD made a pitch for the annual Memphis South Golf Tournament which will be played at the Plantation Golf Club on Monday, July 11 starting at 8:30 in the morning. This is a scramble with some new twists. We are in need of some more teams and therefore some more players as well. If you are not a part of a team, sign up anyway and you will be assigned to play with some other excellent golfers. We want everyone to be a winner but most of all, we want our scholarship fund to grow even more.

John Bennett has sent out some forty odd letters inviting you and others to be HOLE SPONSORS or CORPORATE SPONSORS. If you were sent a letter and do not wish to be either, give it to someone you know who would be happy to support the cause. There are many sponsors out there who have not been asked. This is more than just a one person endeavor. We have sent letters to EVERYONE who has supported us in the past and hope that they will continue their support. We have

actually sent letters to some who have never participated. Let us make this effort a good one for the sake of the Foundation of the Rotary Club of Memphis South.!

GUESTS AND VISITING ROTARIANS

CRAIG GARDELLA introduced the guests and visiting Rotarians. Visiting from the Rotary Club of Memphis were: James Woodson, John Clark and Max Williams. Glenn Rutherford was the guest of his brother Gary Rutherford. We always welcome our guests and invite them to return.

THE ROTARY FOUNDATION AND YOU

Arch C. Klumph, founder of The Rotary Foundation, said "...we should look at the Foundation as being not something of today or tomorrow, but think of it in terms of the years and generations to come. Rotary is a movement for the centuries." In order for Rotary to continue its good work into the future, it is necessary that those in our District and every District attain it Annual Programs Fund goal.

As Rotarians, we know that the road to a world filled with peace and understanding is long and filled with frequent obstacles. In our journey down this path, we are challenged each day to MAKE A DIFFERENCE IN THE WORLD.

Generous contributions to the Rotary Foundation made by Rotarians around the world, enable us to build bridges which make life better for millions of people around the world.

Rotary has a new emphasis on giving - The Permanent Fund Initiative. It is so easy to become a part of this. You, or anyone you know, can make a beginning by becoming a BENEFACTOR. We have three Benefactors in our club. Sign a form which promises a minimum of \$1000 in your will; make an outright gift of at least \$1000 or better still you could become a MAJOR DONOR. Speak with the District Chairman about this and he will put you on the road to become a full Rotarian.

THE PROGRAM

Ray Baxter was pleased to bring us a program on Model Railroading. Ray's grandfather was a railroader and having this in his blood, Ray became addicted to the hobby of Model Railroading. A self confessed collector and enthusiast, Ray admits that his dining room has given way to some \$30000 worth of equipment - nine trains going in different directions and all of the layout one would expect to see in real life. He and his friend, Dick Wolfe who owns the mid-south's finest Model Railroad and Hobby Shop, demonstrated some of the engines, their sounds and yes, even the smoke. This was an interesting program and we thank you, Ray!
